Shading was used to help show the repeating design.

The Appian® Modified "K" uses the Appian® Mixed and Appian® 6" x 9" bricks. Two parts Mixed and one part 6" x 9" will be used. This design can easily be achieved by occasionally replacing a 6" x 9" brick with two 4" x 6" or one 3" x 6" and one 6" x 6".

Please Note: Sizes shown are nominal. Products are made to fit metric modules. Overall dimensions include one spacer.
