

# hanover® architectural products introduces... **NEW Granite Pavers**

For over 38 years, Hanover® Architectural Products has been known as the producer of the highest quality paving products. Now Hanover® is pleased to include a line of granite pavers fabricated to the highest standards. Careful selection of raw materials and production of pavers made with the closest tolerances in the industry make Hanover® Granite Pavers a natural choice for all types of applications.

In order to respond to those installations requiring immediate paver delivery, Hanover® will be stocking

six colors of granite in a 23 1/2" x 23 1/2" x 2" size. These pavers will also have a thickness tolerance of (+/-) 1/16". The stocked Granite Pavers are available with a Thermal/Flamed finish. Additional custom colors, sizes and finishes are available on special order. (See back page.)

The quick availability and close tolerances will give incredible advantages to the architect, contractor and owner. Projects can move forward at a faster pace and installation time will be quicker, due to the 1/16" tolerances.

- Six stocked colors in a 23 1/2" x 23 1/2" x 2" size
- (+/-) 1/16" tolerances
- Quicker installation time
- Immediate availability on the six stocked colors
- Highest quality raw materials
- Additional custom colors available on special order

Contact a Hanover® Sales Representative for more information.

The colors shown above are just a few of the custom colors Hanover® can provide. These colors are available with an approximate 16 week turnaround. Other colors are available on special order when quantities permit. Custom sizes or thicknesses can be accommodated. Contact a Hanover® Sales Representative for more information.

*Please Note:* The color photos shown were prepared with great concern for accuracy. However, it is suggested that actual samples be requested before specifying. Due to the natural variances, granite pavers could differ slightly from sample to actual product. It is recommended that the pavers be cleaned after the installation is finished. Please contact our representatives for product suggestions.
