Size Comparison Chart

* The 11 3/4" x 11 3/4" x 3" Prest[®] Paver is applicable only in limited vehicular conditions. Please consult the Hanover[®] Technical Sales Staff for more information.

For vehicular applications, base materials must be engineered with the intended vehicular loading conditions in mind. Please contact our sales staff for more information.

Hanover[®] suggests, Prest[®] Pavers for urban environments have a thickness of 2 1/2".

Please NOTE : Not all sizes/colors are stocked materials. Some are only available through special order and when quantities permit.

Not all product styles are available in the full range of thicknesses. Please refer to Hanover's specific product literature for availability.
